Create your first assistant
Let's get your assistant up and running. Name your assistant, add a description, and choose a language. In following steps we'll gather more information, show you basic customizations, and give you a preview of what your assistant will look like.
Assistant name
Banking Chatbot
Your assistant name will be kept internally and not visible to your customers
Description (optional)
39/128
AI based discourse for Banking Industry
Assistant language
English (US)
This is the language your assistant will speak.

Personalize your assistant
Tell us where your assistant will live
We will create your first channel integration for you, which will be visible on your dashboard. You can always add more or change later.
Where do you plan on deploying your assistant?
Web
Tell us about yourself
This information will be used to personalize your onboarding experience.
Which industry do you work in?
Banking and financial services
What is your role on the team building the assistant?
Developer
Which statement describes your needs best?
I want to make it easier for my customers to find what they're looking for in my a
This is what your customers will experience
Watson Assistant
Do you have the Speed Demons in stock?
The Speed Demons are in stock at our Downtown and Northgate locations, which are both within five miles of you.
What size and color do you need?
I'm looking for a size nine in white
Great news! The Speed Demons are available in white in a size 9.
You can purchase them for curbside pick up or we can ship them to you. Which would you prefer?
I'll pick them up!
Ship them to me, please!
